Science

Welcome

Joe Lykken

Nature Guiding Theory Workshop

August 21-23, 2014

Fermilab and Naturalness

Fermilab and Naturalness

- New and cute
- Old and shaggy

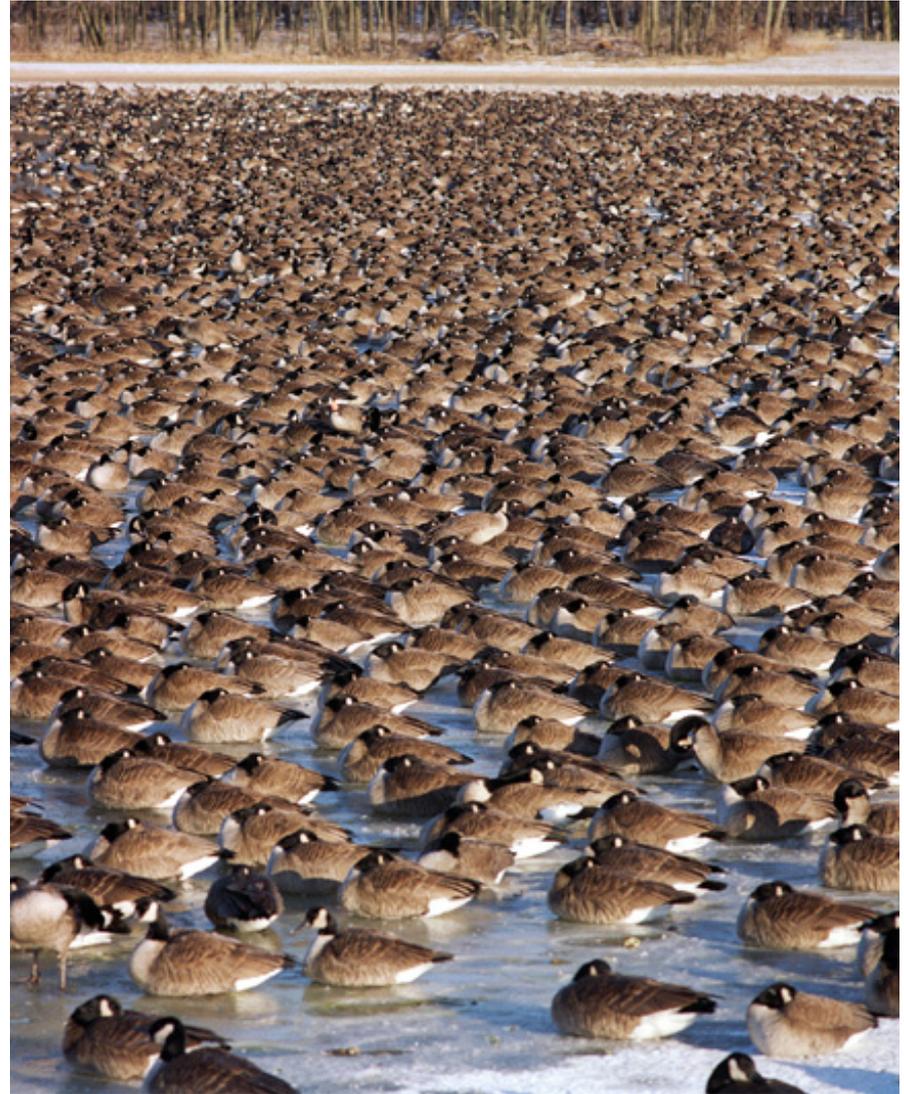

Fermilab and Naturalness

To make the flowers bloom, every few years you need to burn the prairie

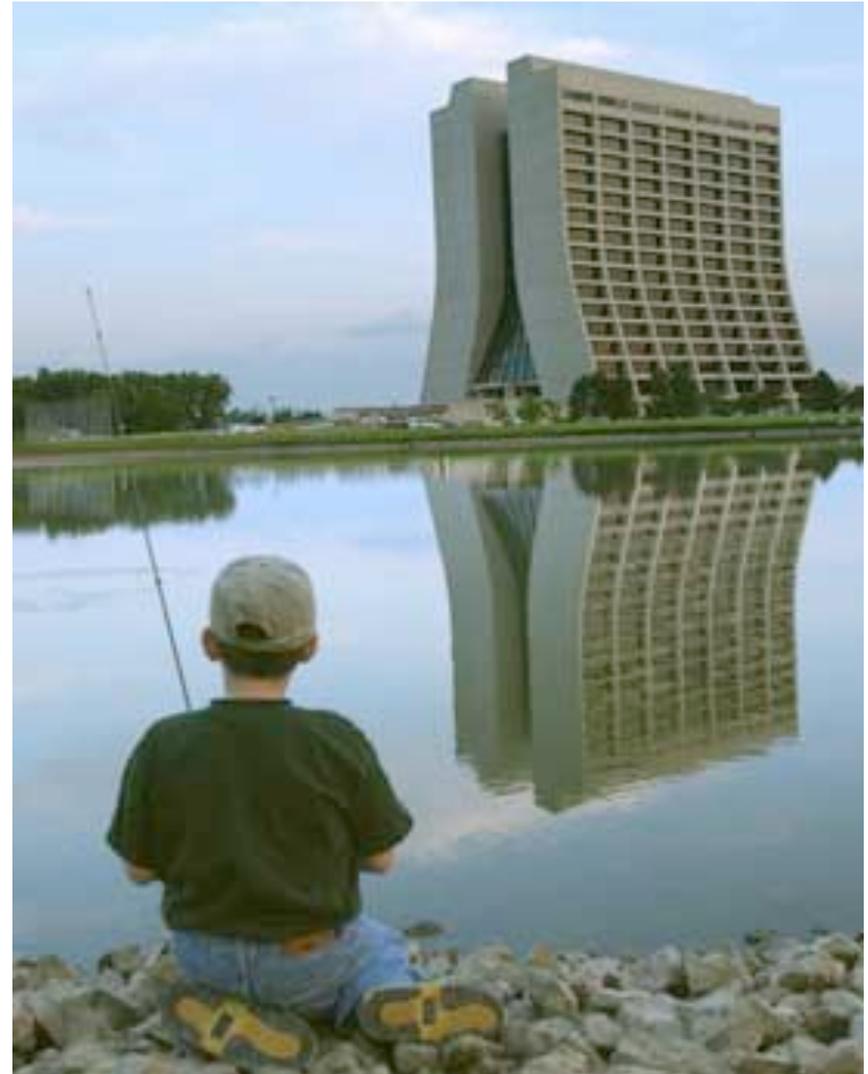

Fermilab and Naturalness

Just because 80,000 geese think it is a good idea, does not necessarily imply that it is

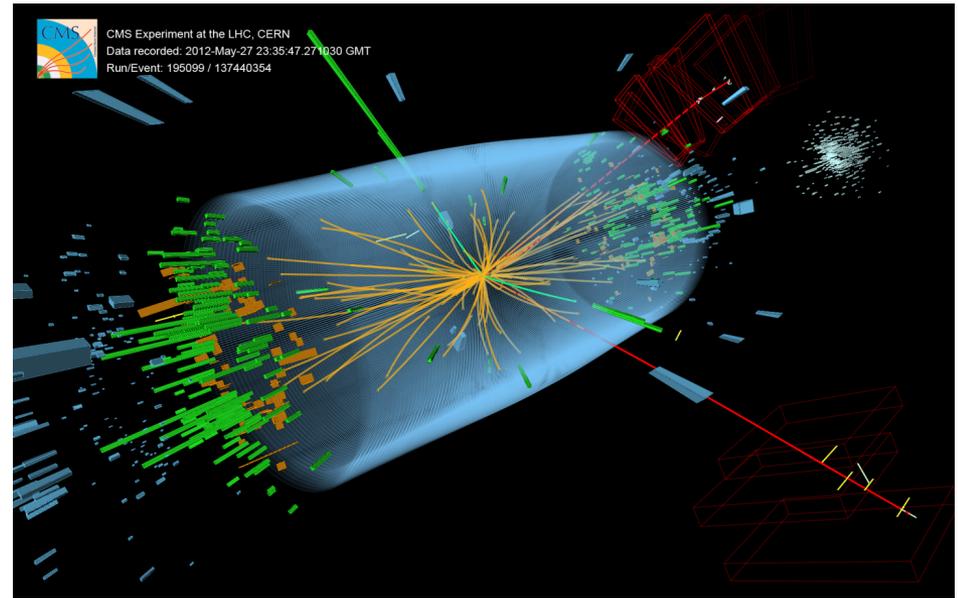

Fermilab and Naturalness

It is hard to know what you may catch, if you don't know what kind of pond it is

Fermilab and Naturalness

The data is the data

Enjoy the workshop
